F. Raffles: Exhibitors wishing to conduct a raffle during the Expo must comply with all State Laws regulating such activities and must receive prior written approval from the Department before conducting a raffle. For raffles that require participants to give something of value, only those raffles where the proceeds will be used to support the objective of the Expo or Mission of the Department will be permitted. Free raffles are permitted as long as the raffle items support the objective of the Expo or Mission of the Department.

G. Sponsors: See G2.2 for sponsorship guidelines.

H. Vendors: This policy does not apply to vendors contracted or requested to provide support services such as food, beverage, transportation and other event-related preparation and logistical services.
